COLE DISTRIBUTING, INC.

Family Owned and Operated Since 1980

Ontario Bulk Plant

Cole Distributing, Inc. can help your business run more efficiently and profitably! Our residential, business and farm services, coupled with products available, provide all you need for a one-stop solution to your **fuel, propane, lubricant and bio fuel** needs. We can deliver any products to your home or work locations with just a phone call.

Services Available:

- Pay your bill in person
- Place your fuel order in person

Fuel Dispenser Available On Site:

- On road diesel fuel
- Off road diesel fuel
- Kerosene

Propane Dispenser On Site For:

- 100 pound tanks
- BBQ Grill tanks
- Motor home tanks
- Fork lift tanks

Propane tanks on your equipment can be filled directly from our bulk propane dispenser to save you time and money.

Lubricants:

- Full line of lubricants available
- Grease cartridges are available, also.

Diesel Exhaust Fluid:

- Full line of DEF ranging from 2½ to bulk delivery

Location:

This facility is conveniently located at the interchange of US 30 and West Fourth Street with excellent on/off access and spacious room for easy lot turnarounds.

We have more information on our website for your convenience. Check us out at www.coledist.com

Stability you can depend on...

Make us the last supplier you'll ever need to call!
