Cole Distributing, Inc. uses the finest #2 fuel with 5% pure virgin soybean oil treated with high performance additive to bring you the finest fuel money can buy. Our fuel will not only give you better mileage and power (3-5%) it will also burn cleaner and keep your equipment running longer. We have added stabilizers, rust and corrosion inhibitors, detergents and lubricity additives to give you a fuel that will protect the investment you made in your equipment.

Call Mark, Rodney or Mike at 419-342-3835 or visit www.coledist.com to find out more about how Cole Distributing, Inc. will save you money.
